( LIVE Exam Preparation for this one low price! )

When you enroll in our 2 1/2 week or 4 consecutive Saturday LIVE Salesperson/Broker Exam Preparation Course, you will receive:

**(1) Live classroom lectures from the most qualified instructors in the industry**

At our locations in Northern California and Southern California your classes will be taught by either Bryan Church or Judi Belanger. Bryan's credentials include: MBA degree; real estate broker's license since 1988; former university professor and community college instructor; Community College Teaching Credential; and Director of Education for Accredited Schools since 1995. Judi's credentials include a four-year college degree, real estate broker's license, and over 30 years experience teaching students to pass the State Exam. She has been with Accredited Real Estate Schools since 1996. These are the best instructors in the industry.

**(2) Exam Preparation Workbook**

The Exam Preparation Workbook contains seven areas that are designed to help you understand and assimilate the information contained on the State Exam. Learning the language of real estate is similar to learning a foreign language; therefore, Bryan and Judi use the Exam Preparation Workbook to introduce each individual topic that you will see on the State Exam. The workbook is interactive and students learn the language of real estate through a series of easy-to-understand and very applicable drawings, stories, and fill-in-blank exercises that reinforce classroom learning. The learning experience is reinforced with an entertaining Microsoft Powerpoint presentation.

**(3) A CD of Over 3,000 state exam practice questions w/ fully-explained answers**

These are the most up-to-date state exam practice questions with fully-explained answers that exist in California. We update these questions on an on-going basis and only burn enough CD's to supply our immediate needs. We don't mass produce our CD's like some of our competitors, so our questions are always as up-to-date as possible. (Additional fee of \$20 for book instead of CD)
